# Albemarle ROCK FISH FESTIVAL

Our festival is a creation of Clear Living Waters, a faith-based non-partisan NC LLC, created primarily to manage the annual Albemarle Rock Fish Festival. Search Facebook to learn more!

The Mission – Celebrate our beautiful marine life and bring awareness to the cause of returning the Albemarle Sound to clear waters, teeming with fish, as described by Sir Walter Raleigh’s first expedition. Funds will go toward creating a full-time “Riverkeeper” for the sound. [Albemarle Sound Riverkeeper](#)
